from 9.30 to 10.30am (Paris Time)

3 mornings of exchanges on 3 topics

- **September 15: Ethics Management**
- **September 17: Strategic Operational Intelligence**
- **September 18: Neurosciences**

2nd RH FORUM – JUMP OPT

September 15, 2025

9.30am to 10.30am (Paris time)

Ethics Management

9.30am to 10.00am: presentation

10.00 to 10.30am: panel discussion

Laurent BIBARD
ESSEC Business School

He teaches philosophy and management at ESSEC and, since its creation in 2014, has headed the Edgar Morin Chair of Complexity at ESSEC.

A graduate of ESSEC and Sciences-Po Paris, with a doctorate in philosophy and economics, he combines philosophical theory with practical work on the dynamics of vigilance and ethics in a context of uncertainty.

2nd RH FORUM – JUMP OPT

September 17, 2025
9.30am to 10.30am (Paris time)

Strategic Operational Intelligence

9.30am to 10.00am: presentation

10.00 to 10.30am: panel discussion

Emmanuel de ROMÉMONT

REND-FORT

Paris Dauphine

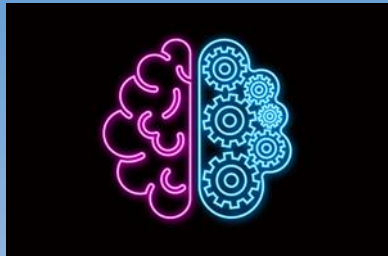

A former fighter pilot and active in teaching and consulting, he applies his expertise in managing complex organizations to the Water and Fragility project run by the “More Water for Sahel” initiative, a region particularly hard hit by water shortages, and to all issues relating to resilience, mainly from a collective perspective.

Registration free but mandatory

2nd RH FORUM – JUMP OPT

September 18, 2025
9.30am to 10.30am (Paris time)

Neurosciences

9.30am to 10.00am: presentation
10.00 to 10.30am: panel discussion

Yves FAGHERAZZI
Ex DG SEAAL Alger
Ex DG SERAMM Marseille
Visconti partner

Professional experience built on the diversity of situations encountered: diversity of locations, cultures, challenges, missions. Diversity means adaptability, listening, attention to others, situational intelligence, emotional intelligence.

Specific skills in steering transformation programs and mastering crisis management, with ambition and realism.

Leadership: In this field, my greatest satisfaction is to see the people around me develop and grow.
